

Year 7 Homework (15)

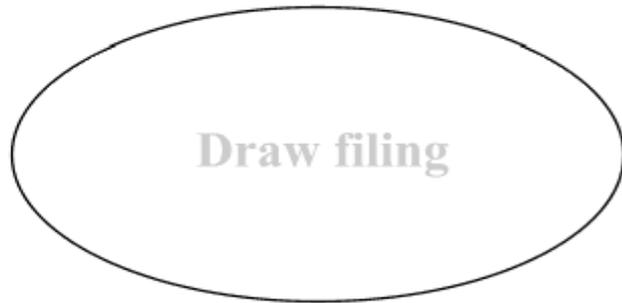

Name	Bottle Opener
Group	Finishing
Date	

Once you have finished cutting and filing your bottle opener and are happy with its initial appearance, then you are ready for the finishing process. In the boxes below describe the different stages listed and then (A) draw the two different filing stages and (B) draw two different files used on this project.

Cross filing

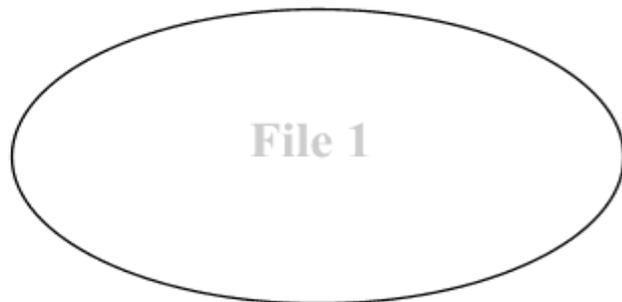

Draw filing

Emery cloth

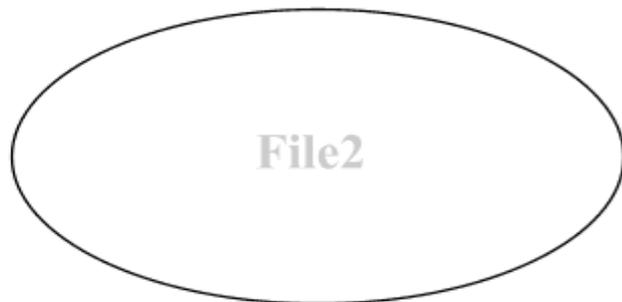

Wet and dry paper

Wey and dry paper

Dip coating

Dip coating
